## Short Description

---

## Additional Information

---

|                                       |                              |
|---------------------------------------|------------------------------|
| Stock Number                          | BA9-1000787                  |
| Approach Speed                        | 2" / sec                     |
| Back Gauge Capacity (In.)             | 23.62"                       |
| Bending Speed                         | .6" / sec.                   |
| Distance Between Housings             | 124                          |
| Distance From Table To Ram            | 15.3"                        |
| Distance Per Stroke (In.)             | 4.7                          |
| Input Power                           | 220V / 3-phase               |
| Minimum Return Speed (In./Sec)        | 2.36" / sec.                 |
| Model Number                          | BP-14013 CNC                 |
| Overall Length (In.)                  | 157"                         |
| Prop 65                               | Cancer and Reproductive Harm |
| Shipping Dimensions (L x W x H) (In.) | 185x73x97                    |
| Throat Depth (In.)                    | 12.5"                        |
| Warranty                              | 1 Year                       |
| Weight (Lbs.)                         | 19000                        |
| Gross Weight                          | 28400.0                      |
| Back Gauge Motor (hp)                 | 1/2 hp                       |
